Dear Relatives,

Many many thanks to those of you who send in your family updates, especially those of you with a large family connection, who do so year after year.

Kindly send updates to me by 1 May 2016. Please include the page number from the White Book, and the ID number if the relative has children, and if not, then the ID number of the Stewart parent. (See examples above.) Please include when and WHERE the event took place. We do care. To make our reunion work easier and less expensive, kindly send me any and all email addresses.

Thank you.

Your cousin,
